PROTECTIVE SOLUTIONS

We have a range of protective solutions to keep your establishments safe, across all environments, from stores and offices to warehouses and schools.

PROTECTIVE BARRIER FILM

This easy to apply and removable film is designed to protect surfaces and prevent contamination between users. It's ideal for use on multiple surfaces including laptops, keyboards, tills, screens, switches, and more. Sold in rolls with the option to perforate to the size of your surfaces.

PROTECTIVE FACE VISORS

Our face visors are made from a range of gloss clear materials such as polyester and Staufen PVC to ensure maximum hygiene and a high degree of optimal clarity, making them suitable for all environments including healthcare. The visors are lightweight and easy to use, and provide effective protection to the face.

DISPOSABLE APRONS

Our aprons are made from polythene with a head hole and two tie strings to secure. They are designed for single use to prevent contamination and can be recycled in the right waste streams. They are ideal for healthcare, care homes, labs and other environments.

HARD HAT VISOR

Our hard hat visors are made from clear gloss materials such as polyester and Staufen PVC to protect the face and offer optimal clarity. Visors are a universal fit to most common styles of hard hat. They are lightweight and easy to assemble.

PROTECTIVE SOLUTIONS

SAFE DISTANCING TAPE

Our safe distancing tape is durable and bright to clearly indicate boundaries. It can be easily applied and removed from a variety of surfaces. These tapes can be printed with various messages to meet your requirements.

FACE MASKS

We have a range of disposable face masks in a variety of materials for extra levels of hygiene. They can be combined with the protective visors and are suitable for all environments.

INFRARED THERMOMETER

This infrared forehead thermometer can be used in conjunction with the testing booth for quick, easy and safe temperature measurement of employees. It offers a simple welfare provision by enabling you to take a precautionary step, in taking the temperature of your staff.

DISPOSABLE GLOVES

We offer a variety of nitrile and vinyl gloves available with a choice of powdered or powder free options. Designed for single use, these gloves offer an extra layer of protection and prevent contamination.

HYGIENE PRODUCTS AND SOLUTIONS

Our range of hygiene solutions are perfect for keeping hands and surfaces clean.

HYGIENE ROLLS

Our quality hygiene rolls are perfect for use in establishments where hygiene is extremely important, such as healthcare and medical environments, beauty salons and clinics. Available in blue and white, with a choice of lengths.

PAPER TOWELS

We have paper hand towels in a choice of 1 or 2 ply. These absorbent, disposable paper towels are a convenient and hygienic method of hand drying. Available in green and white.

CENTREFEED PAPER

Ideal for wiping and hand drying, our 2ply centrefeed rolls are available in both white and blue, with a variety of lengths.

TOILET PAPER
